Welcome back to the new school year! We have lots of exciting events planned for 2026/2027 - old favourites are returning as well as some new ones!

Event Feedback

Thank you so much to all the families who voted in our Whatsapp poll reflecting on events from the last academic year. This information was really helpful at our meeting on Wednesday night.

Some suggestions of new events included a colour run, craft activities, firework night, cake/biscuit decorating, donating/supporting other charities and bulb planting. We have tried to take on board as many new ideas as possible and hope this will be noticeable in our new events.

If anyone is interested in researching about holding a firework/light event for next year, please get in contact.

Unfortunately, as a registered charity ourselves there are strict guidelines we have to follow in terms of how we spend the money we have raised. The basis of the PTA is that primarily, money raised is donated back to the school to enhance the education and experiences of the children at St Francis. We are limited when it comes to anything outside this. There are ways we could fundraise for another charity (like declaring this is where the money is going before the event) but have found in the past that the school often cover this through the school council/christian voice etc.
